In re Application of

Wesley W. Whitmyer, Jr.

Application No. 09/725,394

Filed: November 29, 2000

Attorney Docket No. 03000- P0004C WWW/CJP

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b) filed August 27, 2007, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned as a result of petitioner's failure to take appropriate action in a timely manner after the decision of June 11, 2007 by the Board of Patent Appeals and Interferences. Therefore, the proceedings as to the rejected claims were terminated. See 37 CFR 1.197(b). As no claim was allowed, the application became abandoned on August 12, 2007. See MPEP 1214.06.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a continuing application under 37 CFR 1.53(b); (2) the petition fee of \$750; and (3) a proper statement of unintentional delay.

This application is being revived solely for purposes of continuity. As continuity has been established by this decision, the application is again abandoned in favor of continuing application No. 11/845,372.

Telephone inquiries concerning this decision should be directed to Terri Williams at (571) 272-2991.
